Your Resource Driving Manufacturing Innovation

Biz Scan Assessment

What is involved?

1. A guided tour of facility gain general knowledge of business and overview of operations.
2. A question and answer session to gather information about your business.
3. A review of the information gathered.
4. A discussion of opportunities for business transformation.

Where are your strengths and weaknesses?

During the assessment 5 business themes are evaluated and rated ineffective, weakness, moderate and strength.

The assessment will highlight areas of improvement to balance your organization.

MANTEC will continue on the business transformation process with you to grow your revenue and profits.

To set up your assessment contact your Professional Business Advisor directly or MANTEC at 717-843-5054.
